

CONTINUING EDUCATION AWARD

- Do you know a facility, employer or sonographer who you believe has made a significant contribution to the continuing education of sonographers?
 - Does your facility make an effort to keep educational materials up to date?
 - Do they provide education leave or financial support?
 - Do you know someone who frequently speaks at local meetings?

If you do the CSDMS would like to recognize them and show appreciation!

Just send a short letter describing why you think this person or place deserves recognition. The CSDMS awards committee will select the winning recipient and acknowledge their contribution with a presentation at the CSDMS National Conference.

Entries should include your name and the name and work address of the person or place you are nominating. Please forward nominations to the CSDMS Head Office at: PO Box 1220, Kemptville, ON K0G 1J0
