

# Earn your CME credits and update your vascular skills!

## Attend a Vascular Sonography Workshop (DMST 105) at SAIT Polytechnic

Are you a registered Diagnostic Medical Sonographer or Physician looking to refresh your Doppler skills? Are you hoping to expand your scope of practice in vascular technology? This comprehensive 5-day course will focus on carotid, peripheral arterial, peripheral venous, and abdominal Doppler skills to current registry standards. Participants will have the opportunity for hands on experience with live models. Eligible participants can receive 30 CME credits.

Classes will be held at SAIT's main campus on the following dates:

Tues. June 15, 2010 – 6:00 PM – 9:00 PM  
Wed. June 16-19, 2010 – 8:30 AM – 4:00 PM

Only 20 spots available! Register early! Contact SAIT Customer Service at 403.284.SAIT (403.284.7248) or visit [sait.ca](http://sait.ca) today.
